Hosmer Fire Department Recruitment Package

P.O. Box 360, Jaffray BC V0B 1T0

Phone: 250-429-3133 Fax: 250-429-3143

Vision Statement:

To be recognized by our community as a model of excellence in providing protective services through education, prevention and mitigation; and to be dedicated to leadership that fosters community involvement, trust and innovation, responsive to the needs and concerns of our community.

Mission Statement:

Hosmer Fire Department will provide essential services that will enhance public safety, and preserve property and the department will endorse conservation of the environment in their service delivery methods.

Hosmer Fire Services:

Hosmer Fire Department provides fire protection to the citizens of the Regional District of East Kootenay, located in the Hosmer Fire Protection area in the form of:

- Structure fire protection;
- Vehicle fire protection;
- Medical first responder service;
- Interface fire support;
- Hazardous material awareness; and

P.O. Box 360, Jaffray BC V0B 1T0

Phone: 250-429-3133 Fax: 250-429-3143

Recruitment:

Requirements of recruits to begin the interview process are:

- Must be at least 18 years of age;
- Must have completed Grade 12 or equivalent;
- Must possess the mental and physical health to adequately perform the duties of a firefighter;
- Must have a valid BC driver's license and be capable of obtaining a Class 3 license with air brake endorsement;
- Must be able to obtain First Aid Certification – Occupations First Aid 3 or First Responder level III with spinal endorsement; and
- Must submit the following:
 - Criminal Records Check;
 - Child Abuse Registry Check;
 - Sexual Offender Registry Check; and
 - BC Drivers License Abstract.

Hosmer Fire Department provides training for new recruits through their training division.

Background Check:

A comprehensive background check is conducted on applicants to establish evidence of good moral character, a well-adjusted personality, community commitment and a pattern of conduct acceptable to the Hosmer Fire Department.

Hiring Process:

- Upon receipt of the application and confirmation of the pre-requisite requirements, the applicant will be required to meet for an interview with Fire Chief and/or Chief Officer(s).
- At the interview the candidate must produce their valid BC driver's license and Driver's Abstract. A course outline will be discussed; an explanation on the amount of training you will be required to take in the one year period to receive your RDEK firefighting core training will be discussed.
- The Committee will advise you shortly after your interview if you have been successful.

Firefighters, (paid-on-call) members, can face highly stressful and physically demanding situations. During your training period you will be constantly evaluated and will be expected to perform all the training evolutions. If you are physically incapable of meeting these objectives during your training you may be released from the training program.

TAKE ACTION . . . VOLUNTEER

Advancement:

- Once all background checks are completed and requirements are fulfilled the recruit will attend an interview.
- Recruits will then become a “Firefighter Recruit”, at which time they will have up to complete 48 hours of training per year.
- During the months of firefighter training, the Recruit will be evaluated on their performance. The department will provide a First Responder course for all recruits at the department’s expense.
- Upon passing their RDEK Firefighting core training, the Recruit may be hired as a Basic Firefighter and placed on a one year probationary period at which time they will be mentored and become familiar with, the operating guidelines of the Hosmer Fire Department.
- A candidate possessing all of the required qualifications, as outlined in the Basic Firefighter job description, shall join the Hosmer Fire Department as a Basic Firefighter and will not be required to take the Firefighter Recruit program.
- Following the successful completion of the one year probation period and completion of training on all of the department’s services, the Basic firefighter will become a Firefighter with the Hosmer Fire Department.¹

VOLUNTEER...IT'S THE
EXPERIENCE OF A LIFETIME

Priorities of a Hosmer Fire Department

- *Safety*
- *Family*
- *Employment*
- *Fire Department*

Firefighter Recruit Job Description:

PURPOSE: To establish a standardized outline of the duties and qualifications that shall be performed and maintained by the RDEK Firefighter Recruit.

SCOPE: All RDEK fire department personnel.

POLICY: This position is primarily a trainee position. Most training will be provided at the Fire Department's expense, coordinated by the department's Training Officer. This position reports to the Fire Chief, Deputy Fire Chief, Training Officer or Senior Officer as applicable. Duties can include, but not limited, to routine maintenance and upkeep of vehicles, firefighting equipment, RDEK owned buildings and property.

PROCEDURE:

Operational Duties and Responsibilities:

- Will attend 48 hours of training in a 12 month period;
- Will pass the RDEK fire department core training program;
- Will pass First Responder qualifications (if pursuing First Responder);
- Receives telephone calls, radio transmissions, assists with dispatching proper apparatus, equipment and personnel;
- Operates all fire and emergency services vehicles and equipment as required;
- Maintains all equipment, vehicles and facilities as directed or required;
- Completes computer inputting and filing, writes reports as required;
- Works on a variety of assigned projects and provides reports as required;
- Participates in public education and public relations functions as required or assigned;
- Adheres to WCB regulations, OH&S regulations and promotes a safe working environment;
- Adheres to RDEK policies and procedures, department orders and operating guidelines; and
- Performs other duties and accepts responsibilities as delegated or required by circumstance.

Qualifications:

- Must be at least 18 years of age with a Grade 12 or G.E.D.;
- Must maintain a Valid British Columbia Driver's License sufficient to operate all department vehicles and possess the ability and willingness to drive on roads and highways, day or night, in all types of weather;
- Capable of obtaining a Class 3 license with air brake endorsement;
- Provide and maintain a clear driver's abstract, Child Abuse Registry Check, Sexual Offender Registry Check and Criminal Records Check;
- Familiarity in the operation of computers and software, preferably Microsoft Office (Word, Access, Excel and Outlook). Knowledge of modern office practices, procedures and equipment;
- Ability to communicate effectively both orally and in writing in the English language and deal courteously, tactfully and diplomatically with elected officials, managers, other employees, volunteers, the public, the media, contractors and other agencies;
- Ability to attend evening and week-end meetings, training or other events, as required, and to work additional hours in the event of an emergency; and
- Ability to physically perform strenuous and demanding tasks, including all aspects of technical rescue. Provide a doctor's note advising of ability to perform tasks associated with firefighting.

Preferred Qualifications:

- First Aid certification (or equivalent), or First Responder Level III.

Job Tasks and Description:

“The following medical standards for the requirements outline under the *National Fire Protection Association Standard on Comprehensive Occupational Medical Program for Fire Departments 2007 Edition* (referred to as “NFPA 1582”).

The following information is provided as a general guideline and is not all-encompassing. The fire department shall evaluate the following 13 essential job tasks against the types and levels of the emergency services provided to the local community by the fire department.

1. Perform firefighting tasks (hoseline operations, extensive crawling, lifting and carrying heavy objects, ventilating roofs or walls using power or hand tools, forcible entry), rescue operations, and other emergency response actions under stressful conditions while wearing personal protective ensembles and self-contained breathing apparatus (SCBA), including working in extremely hot or cold environments for prolonged time periods.
2. Wearing a SCBA which includes a demand valve-type positive-pressure facepiece or HEPA filter masks, which requires the ability to tolerate increased respiratory workloads.
3. Exposure to toxic fumes, irritants, particulates, biological (infectious) and nonbiological hazards, and/or heated gases, despite the use of personal protective ensembles and SCBA.
4. Depending on the local jurisdiction, climbing five or more flights of stairs while wearing fire protective ensemble weighting at least 50 lb (22.6 kg) or more and carrying equipment/tools weighting an additional 20 to 40 lb (9 to 18 kg).
5. Wearing fire protective ensemble that is encapsulating and insulated, which will result in significant fluid loss that frequently progresses to clinical dehydration and can elevate core temperature to levels exceeding 102.2°F (39°C).
6. Searching, finding, and rescue dragging or carrying victims ranging from newborns up to adults weighting over 200 lb (90 kg) to safety despite hazardous conditions and low visibility.
7. Advancing water filled hoseline up to 2 1/2 in. (65 mm) in diameter from fire apparatus to occupancy (approximately 150ft (50m)), which can involve negotiating multiple flights of stairs, ladders, and other obstacles.
8. Climbing ladders, operating from heights, walking or crawling in the dark along narrow or uneven surfaces, and operating in proximity to electrical power lines and/or other hazards.
9. Unpredictable emergency requirements for prolonged periods of extreme physical exertion without benefit of warm-up, scheduled rest periods, meals, access to medications(s), or hydration.
10. Operating fire apparatus or other vehicles in an emergency mode with emergency lights and sirens.
11. Critical, time-sensitive, complex problem solving during physical exertion in stressful, hazardous environments, including hot, dark, tightly enclosed spaces; that is further aggravated by fatigue, flashing lights, sirens, and other distractions.
12. Ability to communicate (give and comprehend verbal orders) while wearing personal protective ensembles and SCBA under conditions of high background noise, poor visibility, and drenching from hoselines and/or fixed protective systems (sprinklers).
13. Functioning as an integral component of a team, where sudden incapacitation of a member can result in risk of injury or death to civilians or other team members.”³

Hosmer Fire Department Recruitment Package

P.O. Box 360, Jaffray BC V0B 1T0

Phone: 250-429-3133 Fax: 250-429-3143

Application Checklist:

- Application and copies of any Certificates, Diplomas or Transcripts
- Medical Letter (completed and signed by physician)
- Driver's Abstract
- Criminal Records Check
- Vulnerable Persons Screening Check

Preparing for the Interview:

The interviews will be held upon receipt of an applicant's application and confirmation of the pre-requisite requirements. Interviews will be held at your convenience, evenings or weekend.

Tips for a successful interview:

- Review your application.
- Be early for your interview.
- Make yourself comfortable.
- Be yourself.
- Listen to the entire question; ask to repeat a question, if necessary.
- When answering a question, address the member asking the question.
- Answer the question as briefly as possible.

Thank you for application. We appreciate you considering becoming a member of the Hosmer Fire Department, working to improve the safety of our community.
