

EAST SIDE LAKE WINDERMERE

Manual Sprinklers

6 – 10 AM

or

7 – 11 PM

Automatic Sprinklers

3 – 7 AM

As we moved out of the extreme heat wave and into somewhat normal summer weather, the no watering of lawns is being rescinded. However, stringent watering restrictions will be in place for the East Side Lake Windermere Water System effective July 13 until further notice. Customers will be allowed to water their lawns and gardens one day per week.

Unfortunately, there is still a strain on the system as a significant number of customers continue to water on a regular basis against the current no watering restriction. It appears that many automatic sprinklers were not turned off. Please be sure the automatic sprinklers are reprogrammed to the new one day per week restriction.

We would like to thank you for your cooperation in ensuring there is water for our customers.

Thank you for abiding by these restrictions.

NEW RESTRICTIONS NOW IN EFFECT
