or

These outdoor watering hours are in place for the benefit of your community. Outdoor watering accounts for the largest water use, and it is imperative that residents abide by these hours and water in moderation.

In addition to “No Watering Fridays,” there will be no watering Friday through Monday on the long weekends: June 30-July 3 and August 4-August 7 to allow Operators to manage peak water demands. Please adjust your watering habits and automatic sprinklers accordingly.

Thank you for abiding by the watering times.
